PROFILE
Organization:
The Sevakiran Charitable Society is registered under the Travancore-Cochin Literary Scientific and Charitable Society Act XII OF 1955 with the registration No. ER-548/11. Sevakiran is working with the objective of integrated and overall development of the society, with specific orientation to social, cultural and economic fields since 1911. By deriving inspiration from Indian heritage; epic, culture and traditions, we dream & work towards a world of equality, justice and fraternity in the society, towards which a large number of volunteers have been working in a goal committed manner since the inception of Sevakiran. We have been thus, in a process of bringing out changes through systematically implemented programmes in the fields of Children, Women and Rural Development.

Vision:
Integrated and sustainable society with humane values demonstrated through care; spreading the bliss of prosperity, empowerment and wisdom.

Mission:
To serve the poor, marginalized and unorganized sections of the society, bringing harmony through promoting and strengthening them towards sustainable development.

Objectives:
- To rehabilitate abandoned children from marginalized communities and support them with tailor-made child welfare programs.
- To mobilize, organize and create awareness among women about the need for education, self-esteem and development.
- To promote vocational skills of tribal communities for alternate means of livelihood.
- To support tribal students and provide education to develop a society of responsible citizens.
- To provide emergency support for disaster recovery at times of natural calamities.
- To reduce instances of broken families through support services.
- To conduct training programs for youth towards their skill development and self-reliability.

4. DISASTER MANAGEMENT
   - SMART
   - SANJEEVANI Blood Donation Forum

RURAL DEVELOPMENT
Capacity building and Skill Development
Today, human resource is a source of competitive advantage for all organizations. Skill and knowledge are the driving forces of economic growth and social development of any community. As a part human resource management, sevakiran is organizing various programs to equip the students, youth and professionals to compete themselves to face the challenges in the fast growing world.

Activities
- Personality empowerment programs for student and youth
- Soft skill development programs
- Entrepreneurship development programs
- Training and support for self employment.

Counseling Services: Ashakiran Counseling Centre
This is a project of Sevakiran with a unique mission and purpose to serve people through different counseling services thereby empowering the community. We help the individuals to find a solution for their unsolved problems and also train them to solve these problems in their own.
Our services include:
- Individual counseling
- Pre-Marital and Family counseling
- Guidance and career counseling
- Substance abuse and behavioral disorder counseling

WOMEN EMPOWERMENT AND CHILD DEVELOPMENT
SWSTI (Sevakiran’s Women Empowerment Society for Total Integrity)
We aim at providing women with equal opportunities in all fields. Over the years government have been emphasizing women empowerment in true spirit. Even though, some section of women have been benefitted from this empowerment, the vast majority of them in rural segments have remained untouched. We believe, if we empower the women, we have empowered the society. Our activities are:
- Mobilize, organize and create awareness among women about the need for education, self-reliance and development
- Promote vocational skills for alternate means of livelihood.
- Train potential women entrepreneurs to take up income generation activities and micro enterprises.
- Strengthen family bond to reduce instances of broken families and single parented children.
- Organize meetings seminars exhibitions and trainings to promote exchange of knowledge and solutions to social problems.

Pragathy Balabhavan
Child Development is very important for the overall development of society and the best way to develop national human resources is to take care of the children. We save and protect the children from abuse, neglect, exploitation and violence.
- Institutional and day care services for children
- Rehabilitation of Abandoned Children from Marginalized communities
- Advocacy services to protect Children’s Rights
- Support programmes for children in difficult circumstances of domestic violence

Vivekananda Vidyalayam
Sevakiran is enthusiastic in promoting value based education which leads to overall development of students thus accelerating the development of nation. Vivekananda Vidyalayam is affiliated to Bharathiya Vidya Niketanam and accredited to NIOS. Drawing inspiration from our heritage and culture, Yoga, Meditation and Sanskrit plays a significant role in our curriculum.
- Programs with special focus on girl child
- Developing a national system of education with values and culture
- Adoption of tribal children and providing education to develop a society of responsible students
- Honoring children for bravery
- Honoring artistic talents of children

TRIBAL WELFARE
VAIBHAV: Serve Tribes- Preserve Forest-Stabilize Nature
The main tribal belt under the operational area of sevakiran is inside the forest land of Kuttampuzha Panchayath. There are 17 tribal settlements known as ‘Kudis’ in local language, scattered in the inland forest. Only three of these settlements have transportation facilities and electricity. Apart from these, major hindrances in tribal development are lack of education, transportation, substance abuse and various exploitation
- Tribal welfare programs in the field of health and sanitation.
- Infrastructure development assistance for tribal communities
- Treatment assistance for the identified needy from tribal community
- Inclusion and technical help for tribal communities to enter in to central government schemes
- Awareness and orientation programs for tribal women and youth in various topics
- Adoption of tribal students and providing educational and hostel facilities

DISASTER MANAGEMENT
SMART- Sevakiran Disaster Management And Rescue Team
The SMART team provides emergency support for disaster recovery, risk reduction measures and immediate relief at the time of natural calamities like landslides and floods especially in the border areas of Idakki and Ernakulam District.
We Cover
- Preparedness-early intervention
- Disaster risk reduction measures
- Awareness programs towards disaster preparedness
- Rehabilitation and development, creating resilience in the community
- Health care management in disaster management phase

Sanjeevani Blood Donation Forum
This forum is working to create awareness about blood donation among masses and to make speedy arrangement of various groups of bloods to the poor and needy patients during critical conditions, such as accidents sugary etc. We maintain a blood donation forum of youths of selfless minds. We have given our helping hands to hundreds of patients by donating blood. Sanjeevani conducts different programs with a mission to encourage the public to donate blood.
